

SE/SW Regional Meeting Preliminary Program
October 8, 2010

ANLY (Matthew Tarr, Chair; email: mtarr@uno.edu)

Poster Session (TBA)

Matthew Tarr, Organizer (email: mtarr@uno.edu)

❖ **Wednesday, December 1, 2010**

Morning

Application of Analytical Techniques to Environmental Issues

Joseph Sneddon (McNeese State University); Dave Butcher
(Western Carolina University) Co-organizers

Invited Speakers

Jorge Gardea-Torresdey (UT-El Paso)
Brad Jones (Wake Forest University)
Joseph Sneddon (McNeese State University)
Dave Butcher (Western Carolina University)

Afternoon

Application of Analytical Techniques to Environmental Issues (1 day)

Joseph Sneddon (McNeese State University); Dave Butcher
(Western Carolina University) Co-organizers

Invited Speakers

Jorge Gardea-Torresdey (UT-El Paso)
Brad Jones (Wake Forest University)
Joseph Sneddon (McNeese State University)
Dave Butcher (Western Carolina University)

❖ **Thursday, December 2, 2010**

Morning

Mass Spectrometry of Biomolecules

Yang Cai, Organizer (email: ycai@uno.edu)

Afternoon

Mass Spectrometry of Biomolecules

Yang Cai, Organizer (email: ycai@uno.edu)

SE/SW Regional Meeting Preliminary Program
October 8, 2010

ANYL (Continued)

❖ Friday, December 3, 2010

Morning

Recent Advances In Forensic Science

Anna Duggar, Organizer (aduggar@earthlink.net)

General Papers

Matthew Tarr, Organizer (email: mtarr@uno.edu)

Afternoon

General Papers

Matthew Tarr, Organizer (email: mtarr@uno.edu)

**SE/SW Regional Meeting Preliminary Program
October 8, 2010**

BIOL (Ellis Lehman, Chair. email: LEllis@olhcc.edu)

Poster Session (TBA)

Ellis Lehman, Organizer (email: LEllis@olhcc.edu)

Richard D. Sheardy, Organizer (email: RSheardy@mail.twu.edu)

❖ **Wednesday, December 1, 2010**

Morning

General Papers

Ellis Lehman, Organizer (email: LEllis@olhcc.edu)

Afternoon

General Papers

Ellis Lehman, Organizer (email: LEllis@olhcc.edu)

❖ **Thursday, December 2, 2010**

Morning

Frontiers in Nucleic Acid Chemistry

Richard D. Sheardy, Organizer (email: RSheardy@mail.twu.edu)

David Graves, Co-organizer (email: dgraves@uab.edu)

Stephen Winkle Co-organizer (email: Stephen.Winkle@fiu.edu)

Invited Speakers

Ed Lewis

Brent Znosko

Jeff Kieft

Tom Krugh

Randy Wadkins

Karen Buchmueller

Steve Benight

Mary-Ann Bjornski

Wendi David

Afternoon

Frontiers in Nucleic Acid Chemistry

Richard D. Sheardy, Organizer (email: RSheardy@mail.twu.edu)

David Graves, Co-organizer (email: dgraves@uab.edu)

Stephen Winkle Co-organizer (email: Stephen.Winkle@fiu.edu)

SE/SW Regional Meeting Preliminary Program
October 8, 2010

❖ Friday, December 3, 2010

Morning

Frontiers in Nucleic Acid Chemistry

Richard D. Sheardy, Organizer (email: RSheardy@mail.twu.edu)

David Graves, Co-organizer (email: dgraves@uab.edu)

Stephen Winkle Co-organizer (email: Stephen.Winkle@fiu.edu)

SE/SW Regional Meeting Preliminary Program
October 8, 2010

CARB/CELL (Al French, Chair; email: Al.french@ars.usda.gov)

❖ Thursday, December 2, 2010

Morning

Sustainable Biomass Conversion

Gillian Eggleston, Organizer

Afternoon

Recent Advances in Carbohydrate Chemistry

Al French, Organizer (email: Al.french@ars.usda.gov)

❖ Friday, December 3, 2010

Morning

Recent Developments in Carbohydrate Chemistry

(Joint CARB/ORGN)

Guijun Wang, Organizer (email: gwang2@uno.edu)

Invited Speakers

Rawle I Hollingsworth, Michigan State University

Nicola Pohl, Iowa State University

Geert-Jan Boons, University of Georgia

George John, City University of New York

Amit Basu, Brown University

Afternoon

Recent Advances in Carbohydrate Chemistry

Al French, Organizer (email: Al.french@ars.usda.gov)

SE/SW Regional Meeting Preliminary Program
October 8, 2010

CHED Terry Watt and Stassi DiMaggio, Co-Chairs.
(email: tjwatt@umich.edu; scdimagg@xula.edu)

❖ **Wednesday, December 1, 2010**

Morning

Using Online Assessment (WileyPlus) in the Chemistry Classroom

Terry Watt, Organizer (email: tjwatt@umich.edu)

Kristy Ruff, Organizer (email: kruff@wiley.com)

Afternoon

What's New In Precollege Chemistry Teaching

Claire Davis-Wheeler, Organizer (email: cdwheeler@benfranklinhighschool.org)

NSF Programs that Support Undergraduate Education

Robert Boggess, Organizer (email: rboggess@RADFORD.EDU)

Cindy Brukhardt, Organizer (email: caburkha@RADFORD.EDU)

❖ **Thursday, December 2, 2010**

Morning

Division of Chemical Education General Papers

Terry Watt, Organizer (email: tjwatt@umich.edu)

Afternoon

Division of Chemical Education Poster Session

Terry Watt, Organizer (email: tjwatt@umich.edu)

SE/SW Regional Meeting Preliminary Program
October 8, 2010

CHED (Continued)

❖ Friday, December 3, 2010

Morning

Broadening Participation of Underrepresented Groups in the Chemical Sciences

Terry Watt, Organizer (email: tjwatt@umich.edu)

What's New In Introductory University Lecture Courses

Jason Overby, Organizer (email: overbyj@cofc.edu)

Afternoon

Broadening Participation of Underrepresented Groups in the Chemical Sciences

Terry Watt, Organizer (email: tjwatt@umich.edu)

What's New In Introductory University Lab Courses

Jason Overby, Organizer (email: overbyj@cofc.edu)

Undergraduate Research Poster Session (1-2 PM)

Jason Overby, Organizer (email: overbyj@cofc.edu)

❖ Saturday, December 4, 2010

High School Teacher Workshop (1/2 day, Saturday, 12/4/2010)

Claire Davis-Wheeler, Organizer (email: cdwheeler@benfranklinhighschool.org)

Undergraduate Research Presentations (9 AM-12 noon)

Mike Adams Organizer (email: mradams@xula.edu)

**SE/SW Regional Meeting Preliminary Program
October 8, 2010**

COMP (Orlando Acevedo, Chair; email: orlando.acevedo@auburn.edu)

Poster Session (Thursday)

Orlando Acevedo, Organizer (email: orlando.acevedo@auburn.edu)

❖ **Thursday, December 2, 2010**

Morning

Frontiers in Computational Medicinal Chemistry

(Joint COMP/MEDI)

Orlando Acevedo, Organizer (email: oaa0002@auburn.edu)

Afternoon

General Papers

Orlando Acevedo, Organizer (email: orlando.acevedo@auburn.edu)

❖ **Friday, December 3, 2010**

Morning

General Papers

Orlando Acevedo, Organizer (email: orlando.acevedo@auburn.edu)

**SE/SW Regional Meeting Preliminary Program
October 8, 2010**

DNCT (Dale Ensor, Chair; email: DEnsor@tntech.edu)

❖ **Thursday, December 2, 2010**

Morning

Radiation Sensors (1/2 day)-Thursday AM-12/1/2010

Blythe Ashcraft, Organizer (email: Blythe.Ashcraft@srnl.doe.gov)

Afternoon

Poster Session

Dale Ensor, Organizer (email: DEnsor@tntech.edu)

❖ **Friday, December 2, 2010**

Morning

General Papers

Dale Ensor, Organizer (email: DEnsor@tntech.edu)

Afternoon

General Papers

Dale Ensor, Organizer (email: DEnsor@tntech.edu)

**SE/SW Regional Meeting Preliminary Program
October 8, 2010**

ENVR (John McLachlan, Chair, email: jmclach@tulane.edu)

❖ **Friday, December 3, 2010**

Morning

Gulf Oil Spill

John McLachlan, Organizer (email: jmclach@tulane.edu)

Afternoon

Gulf Oil Spill

John McLachlan, Organizer (email: jmclach@tulane.edu)

HIST (Janan Hayes, Chair, email: janan.hayes@yahoo.com)

❖ **Thursday, December 2, 2010**

Morning

"HIST: Remembering and Honoring Jack Stocker"

**SE/SW Regional Meeting Preliminary Program
October 8, 2010**

I&EC (Mark G. White, Chair; email: mgw69@msstate.edu)

Poster Session (TBA-Wednesday or Thursday)

Mark G. White, Organizer (email: mgw69@msstate.edu)

❖ **Wednesday, December 1, 2010**

Morning

Sustainable biomass mass conversion to hydrocarbon products

Mark G. Wight, Organizer (email: mgw69@msstate.edu)

Invited Speakers

Tim Rials, University of Tennessee

Tom Elder, USDA

Dana Mitchell, USDA

Todd French, Mississippi State University

Rafael Hernandez, Mississippi State University

Afternoon

Sustainable biomass mass conversion to hydrocarbon products

Mark G. Wight, Organizer (email: mgw69@msstate.edu)

❖ **Thursday, December 2, 2010**

Afternoon

General Papers

Mark G. White, Organizer (email: mgw69@msstate.edu)

SE/SW Regional Meeting Preliminary Program
October 8, 2010

INOR (D. Andrew Knight, Chair; email: aknight@fit.edu)

Poster Session (TBA)

D. Andrew Knight, Organizer (email: aknight@fit.edu)

❖ **Wednesday, December 1, 2001**

Morning

Bioinorganic Chemistry

Robert P. Houser Jr. Organizer (e-mail: houser@ou.edu)

D. Andrew Knight, Co-organizer (e-mail: aknight@fit.edu)

Afternoon

Bioinorganic Chemistry

Robert P. Houser Jr. Organizer (e-mail: houser@ou.edu)

D. Andrew Knight, Co-organizer (e-mail: aknight@fit.edu)

General Papers

D. Andrew Knight, Organizer (email: aknight@fit.edu)

SE/SW Regional Meeting Preliminary Program
October 8, 2010

INOR (Continued)

❖ Thursday, December 2, 2010

Morning

Main Group Organometallics: Fundamentals and Applications

Rudi Wehmschulte, Organizer (email: rwehmsch@fit.edu)

David Atwood, Co-organized (email: datwood@mail.uky.edu)

Invited Speakers

Simon Aldridge, Queen's College, Oxford UK

David Atwood, Univ. Kentucky

Andy Andrew Barron, Rice University

Roland Fischer, Ruhr-Universität Bochum, Germany

Francois Gabbai, Texas A&M Univ.

Tim Hanusa, Vanderbilt Univ.

Rick Kemp, Univ. New Mexico

Oleg Ozerov, Texas A&M Univ.

Keith Pannell, Univ. of Texas-EI Paso

John Power, Albemarle

Phil Power, Univ. California -C Davis

Greg Robinson, Univ. Georgia

Karin Ruhlandt-Senge, Syracuse Univ.

David Schubert, US Borax

Rudi Wehmschulte, Florida Tech. Univ.

Scott Weinert, Oklahoma State Univ.

Afternoon

Main Group Organometallics: Fundamentals and Applications

Rudi Wehmschulte, Organizer (email: rwehmsch@fit.edu)

David Atwood, Co-organized (email: datwood@mail.uky.edu)

General Papers

D. Andrew Knight, Organizer (email: aknight@fit.edu)

SE/SW Regional Meeting Preliminary Program
October 8, 2010

INOR (Continued)

❖ Friday, December 3, 2010

Morning

Main Group Organometallics: Fundamentals and Applications

Rudi Wehmschulte, Organizer (email: rwehmsch@fit.edu)

David Atwood, Co-organized (email: datwood@mail.uky.edu)

Afternoon

Main Group Organometallics: Fundamentals and Applications

Rudi Wehmschulte, Organizer (email: rwehmsch@fit.edu)

David Atwood, Co-organized (email: datwood@mail.uky.edu)

SE/SW Regional Meeting Preliminary Program
October 8, 2010

MEDI (Mark L. Trudell, Chair; email: mtrudell@uno.edu)

Poster Session (TBA)

Mark L. Trudell, Organizer (email: mtrudell@uno.edu)

❖ **Wednesday, December 1, 2010**

Morning

Recent Advances in Cancer Therapeutic Agents

Branko S. Jursic and Lee Roy Morgan Co-Organizers
(email: bjursic1@uno.edu)

Invited Speakers

Gerard Bastian, Service de Pharmacology, Centre René Huguenin
Robert F. Struck, Southern Research Institute

Afternoon

Advances in CNS Therapeutics

Mark L. Trudell, Organizer (email: mtrudell@uno.edu)

Invited Speakers

Ivy Carroll, Research Triangle Institute
James M. Cook, University of Wisconsin-Milwaukee
Thomas Prisinzano, University of Kansas
John Huffman, Clemson University

❖ **Thursday, December 2, 2010**

Morning

Frontiers in Computational Medicinal Chemistry

Orlando Acevedo, Organizer (email: oaa0002@auburn.edu)
(Joint COMP/MEDI)

Invited Speakers

Orlando Acevedo, Auburn University

Afternoon

Advances in Ion Channel Mediated Therapeutics

Anantha Sankaranayanan, Organizer (email: asankara@uno.edu)

Invited Speakers

Anantha Sankaranarayanan, University of New Orleans
Jeffrey G. Tasker, Tulane University
Christine Beeton, Baylor College of Medicine

SE/SW Regional Meeting Preliminary Program
October 8, 2010

MEDI (Continued)

❖ Friday, December 3, 2010.

Morning

General Papers

Mark L. Trudell, Organizer (email: mtrudell@uno.edu)

Afternoon

General Papers

Mark L. Trudell, Organizer (email: mtrudell@uno.edu)

NANM (Gabriel Caruntu, Chair; email: GCaruntu@uno.edu)

Poster Session (TBA)

Gabriel Caruntu, Organizer (email: GCaruntu@uno.edu)

❖ Thursday, December 2, 2010

Morning

Nanostructured Materials:

Synthesis, Characterization and Applications

Gabriel Caruntu, Organizer (email: GCaruntu@uno.edu)

Afternoon

Nanostructured Materials:

Synthesis, Characterization and Applications

Gabriel Caruntu, Organizer (email: GCaruntu@uno.edu)

SE/SW Regional Meeting Preliminary Program
October 8, 2010

ORGN (Guijun Wang, Chair; email: gwang2@uno.edu)

Poster Session (TBA)

Guijun Wang, Organizer (email: gwang2@uno.edu)

❖ **Wednesday, December 1, 2010**

Morning

Supramolecular Chemistry

Bruce C. Gibb, Organizer (email: bgibb@uno.edu)

Invited Speakers

Angel Kaifer, University of Miami

José Rivera, Pontifical Catholic University of Puerto Rico

Eric Anslyn, University of Texas

Ron Castellano, University of Florida

Lyle Isaacs, University of Maryland

Jeff Davis, University of Maryland

Marcey Waters, University of North Carolina-Chapel Hill

Omar Yaghi, UCLA

George Gokel, University of Missouri St. Louis

Jerry Atwood, University of Missouri

Eric Simanek, Texas A&M

Janarthanan Jawickramarajah, Tulane University

Scott Grayson, Tulane University

Peter Stang, University of Utah

Afternoon

Supramolecular Chemistry

Bruce C. Gibb, Organizer (email: bgibb@uno.edu)

SE/SW Regional Meeting Preliminary Program
October 8, 2010

❖ Thursday, December 2, 2010

Morning

Advances in Modern Organic Synthesis

Guijun Wang, Organizer (email: gwang2@uno.edu)

Invited Speakers

Mukund Sibi, University of North Dakota

John Wood, Colorado State University

Kevin Smith, Louisiana State University

Carol Taylor, Louisiana State University

Afternoon

General Papers

Guijun Wang, Organizer (email: gwang2@uno.edu)

❖ Friday, December 3, 2010

Morning

Recent Developments in Carbohydrate Chemistry

(Joint CARB/ORGN)

Guijun Wang, Organizer (email: gwang2@uno.edu)

Invited Speakers

Rawle I Hollingsworth, Michigan State University

Nicola Pohl, Iowa State University

Geert-Jan Boons, University of Georgia

George John, City University of New York

Amit Basu, Brown University

Afternoon

October 8, 2010**

PEPT (Bill Wimley, Chair; email: wwimley@tulane.edu)

Poster Session (TBA)

Bill Wimley, Organizer (email: wwimley@tulane.edu)

❖ **Wednesday, December 1, 2010**

Morning

Peptides in Biotechnology and Biomedicine (1 day)

Bill Wimley, Organizer (email: wwimley@tulane.edu)

Invited Speakers

Kalina Hristova, Johns Hopkins University

Robert F Garry, Tulane University School of Medicine

Kevin MacKenzie, Rice University

William F. Walkenhorst, Loyola University

Antje Pokorny, University of North Carolina, Wilmington

Vinod Mishra, University of Alabama, Birmingham

Afternoon

Peptides in Biotechnology and Biomedicine (1 day)

Bill Wimley, Organizer (email: wwimley@tulane.edu)

❖ **Thursday, December 2, 2010**

Morning

General Papers

Bill Wimley, Organizer (email: wwimley@tulane.edu)

PHYS (Steven Rick, Chair; email: srick@uno.edu)

Poster Session (TBA)

Steven Rick, Organizer (email: srick@uno.edu)

❖ **Wednesday, December 1, 2010**

Morning

The influence of water and other solvents on protein structure and function (2 days)

Steven Rick, Organizer (email: srick@uno.edu)

Invited speakers

Henry Ashbaugh, Tulane University
Elisa Fadda, National University of Ireland
Bertrand Garcia-Moreno E, Johns Hopkins University
Teresa Head-Gordon, UC Berkeley
Toshiko Ichiye, Georgetown University
David Mobley, UNO
Monte Pettitt, University of Houston
Lawrence Pratt, Tulane University
Thomas Truskett, University of Texas
Robert Woods, University of Georgia, National University of Ireland

Computational/Experimental Characterization of Advanced Materials

Peter Politzer, Organizer (email: ppolitze@uno.edu)

Jane Murray, Co-organizer (email: jsmurray@uno.edu)

Invited Speakers

Perla Balbuena, Texas A&M University
Rod Bartlett, University of Florida
Tore Brinck, Royal Institute of Technology, Stockholm, Sweden
Felipe Bulat, Naval Research Laboratory
Jaroslav Burda, Charles University, Prague, Czech Republic
Robert Chapman, NAWC, China Lake
Tim Clark, University of Erlangen-Nuernberg, Germany
T. C. Dinadayalane, Jackson State University
Michael Göbel, LMU University, Munich, Germany
P. Shing Ho, Colorado State University
Pavel Hobza, Czech Academy of Sciences, Prague, Czech Republic
Anthony Legon, University of Bristol, England
Jerzy Leszczynski, Jackson State University
Pierangelo Metrangolo, Polytechnic Institute, Milano, Italy,
Monika Musial, University of Katowice, Poland
Giuseppe Resnati, Polytechnic Institute, Milano, Italy
Kevin Riley, University of Puerto Rico
Jorge Seminario, Texas A&M University
Per Sjöberg, Eurenco, Sweden
Andrzej Sokalski, Wrocław University of Technology
Alejandro Toro-Labbé, Pontificia Universidad Católica de Chile, Santiago, Chile

SE/SW Regional Meeting Preliminary Program
October 8, 2010

PHYS (Continued)

Afternoon

The influence of water and other solvents on protein structure and function (2 days)

Steven Rick, Organizer (email: srick@uno.edu)

Computational/Experimental Characterization of Advanced Materials

Peter Politzer, Organizer (email: ppolitze@uno.edu)

Jane Murray, Co-organizer (email: jsmurray@uno.edu)

❖ Thursday, December 2, 2010

Morning

The influence of water and other solvents on protein structure and function (2 days)

Steven Rick, Organizer (email: srick@uno.edu)

October 8, 2010**

PMSE (Stassi DiMaggio and Scott M. Grayson, Co-Chairs, email: scdimagg@xula.edu; sgrayson@tulane.edu)

POLY/PSME Poster Session (TBA).

❖ **Friday, December 3, 2010**

Morning

Studies of Diverse Polymer Architectures: Dendrimers, Cyclic Polymers, and Other Complex Macromolecular Structure

Invited Speakers: Dendrimers Contributions

Eric Simanek (TCU) i
Angel Kaifer (U Miami)
Dom McGrath (Arizona)
Mark Grinstaff (BU)

Afternoon

Studies of Diverse Polymer Architectures: Dendrimers, Cyclic Polymers, and Other Complex Macromolecular Structure

Invited Speakers: Cyclic Polymer Contributions

Thieo Hogen-Esch (USC)
Robert Waymouth (Stanford)
A.J. Boydston (Caltech, representing R.H. Grubb's group)
Donghui Zhong (LSU)

SE/SW Regional Meeting Preliminary Program
October 8, 2010

POLY (John A. Pojman, Chair; email: John@pojman.com)

Poster Session

John A. Pojman, Organizer (email: John@pojman.com)

❖ **Wednesday, December 1, 2010**

Morning

Nonlinear Dynamic Approaches to Polymeric Materials

John A. Pojman & Jan Genzer, Co-Organizers (email: John@pojman.com;
Jan_Genzer@ncsu.edu)

Afternoon

Functional Polymer Surfaces and Interfaces

Jason Locklin & Derek L. Patton, Co-Organizers (email: jlocklin@chem.uga.edu;
derek.patton@usm.edu)

❖ **Thursday, December 2, 2010**

Morning

Functional Polymer Surfaces and Interfaces

Jason Locklin & Derek L. Patton, Co-Organizers (email: jlocklin@chem.uga.edu;
derek.patton@usm.edu)

General Papers

John A. Pojman, Organizer (email: John@pojman.com)

Afternoon

John A. Pojman & Jan Genzer, Co-Organizers (email: John@pojman.com;
Jan_Genzer@ncsu.edu)

General Papers

John A. Pojman, Organizer (email: John@pojman.com)

**Simulations of Polymeric Systems: Bridging the Gap Between
Experiments and Theory/Simulations**

Melissa A. Pasquinelli, Organizer (email: melissa_pasquinelli@ncsu.edu)

SE/SW Regional Meeting Preliminary Program
October 8, 2010

POLY (continued)

❖ Friday, December 3, 2010

Morning

**Polymeric Materials based on Polypeptides and Their mimics:
Synthesis, Characterization and Applications**

Donghui (Catherine) Zhang & Paul Russo

Co-organizers (email: dhzhang@lsu.edu; chruss@lsu.edu)

**Simulations of Polymeric Systems: Bridging the Gap Between
